# OVERVIEW

---

**Legal Era Women Lawyers Network is organising  
the 4th Annual Women Leadership Summit & Awards 2022  
on 27th August 2022 at The Imperial, New Delhi.**

**Women lawyers are making great strides.**

Whether it is shaping the law, advising on complex matters, handling cross-functional roles, cracking multi-jurisdictional transactions, taking on pro-bono work, or being outstanding jurists, women lawyers across the world are a force to reckon with.

And the Legal Era Women Lawyers Network (LWLN) brings them together under one tight-knit Community. LWLN is an exclusive association of the most competent and most credible women stalwarts, luminaries, experts, litigators, corporate counsels, and young and upcoming rising stars.

Unlike other women-only associations, the LWLN goes beyond being a community focussed on gender-specific issues to serve the fast-evolving and diversified needs of ambitious women lawyers who wish to make a difference to the legal profession and the industry across roles, geographies, practice areas, and career stages.

**All the same, challenges exist. There are barriers to break. There is work to be done.**

Legal Era understands that women lawyers are globally demanding a level playing field and have the zeal to take up responsibilities and roles that are opportunities to solve cutting-edge legal issues.

**The 4th Annual Women in Law Excellence Awards and Summit brings you exciting panel discussions, fiery keynote addresses, and opportunities to hear from and interact with the game-changers and trailblazers themselves.**

**As Legal Era - Legal Media Group once again serves as a global platform to recognize the women who have achieved professional excellence and dynamic success in the world of law.**

**Here's your chance to spread your wing and scale further heights of spectacular success.**

**We invite you to become the Voice of this Unique Community of Women Leaders & Lawyers.**

**Join us to become a part of the Women Lawyers Network  
Learn, Engage, Develop & Grow**
