that he is espousing the cause millions of investors who are being duped by the unscrupulous promoters of the companies as the promoters of the companies vanish after siphoning off the hard-earned money of the investors.

2. The Petitioner's contention is that the Respondent No.3 BSE is empowered under the statutory provisions to list or to suspend the trading of shares/ stocks/ securities and the listed companies on the stock exchange keeping in view Rule 19(5) of the Securities Contracts (Regulation) Rules, 1957 and the power to suspend the listed company is being arbitrarily used by Respondent No.3 being the stock exchange, merely on the grounds of non-compliance of procedural disclosures under listing agreement, non-payment of the listing fees etc. and the shares/ stocks/ securities of the listed companies have been suspended from time to time.

3. It has been stated that large number of companies have been suspended from continued listing by Respondent No.3 and subsequently many of them have been de-listed without ensuring any protection to investors and, therefore, appropriate mechanism should be in place to take action against those persons who are duping the investors.

4. It has been further stated that the Respondent No.2 is the apex regulatory body and the Securities and Exchange Board of India Act, 1992 (SEBI Act) was enacted to protect the interest of investors in securities and to promote the development of, and to regulate, the securities market and for matters connected therewith or incidental thereto.

5. It has been further stated that according to Section 11 of the SEBI Act, it shall be the duty of SEBI to protect the interest of public investors in securities and to promote the development of and to regulate the securities market by such measures as it thinks fit. The SEBI Act also empowers the Board to regulate the business in Stock Exchanges, to register and regulate the working of stock brokers, sub-brokers, share transfer agents, bankers to an issue, trustees of trust deeds, registrars to an issue, merchant bankers, underwriters, portfolio managers, investment advisors, etc to register and regulate the working of collective investment schemes including mutual funds, to prohibit fraudulent and unfair trade practices and insider trading, to regulate take-overs, to conduct enquiries and audits of the stock exchanges.

6. It has been further stated that Respondent No.3 BSE is recognized by Respondent No.1 Union of India under the provisions of Section 4(1) of Securities Contracts (Regulation) Act, 1956 for providing trading facilities for stock brokers and traders to trade shares/ stocks and other securities and also provides facilities for the issue and redemption of securities as well as other financial instruments. The Petitioner has stated that Respondent No.3 has de-listed large number of companies. It has been stated on affidavit that shares/ stocks of as many as 464 companies has been arbitrarily and without any efforts on the part of the Bombay Stock Exchange have been de-listed.

7. The Petitioner has raised various grounds before this Court to protect the interest of investors and has prayed for the following reliefs:

—i. *Issue appropriate writ(s), order(s) or direction(s) in the nature of a writ of mandamus directing the Respondent No.2 to issue the directions to Respondent No.3 making mandatory the*

provisions like purchase of shares/ stocks/ securities by promoters of a company, proposed to be suspended, from its investors or any such alternative as a pre-condition of initiating the suspension of trading of shares/ stocks/ securities procedure by the Stock Exchanges;

ii. Issue appropriate writ(s), order(s) or direction (s) in the nature of a writ of mandamus directing the Respondent No. 2 to issue the directions to Respondent No. 3 so as to come out with more stringent and effective alternative penal provisions against promoters and management of the errant listed companies;

Issue a writ of mandamus or any other appropriate writ(s) / order(s) / direction(s) to the Respondent No.1 to institute a grievance redressal mechanism within Respondents No. 2 and 3 for the redressal of grievances of the public investors of the listed companies whose trading of shares already remains suspended and to trace out the promoters and management of such listed companies and make them settle the dues of innocent public shareholders / investors;

v. Issue a writ of mandamus or any other appropriate writ(s) / order(s) / direction(s) to the Respondent No. 3 for not implementing the new norms for the revocation of suspension of trading to shares/ stocks / securities of suspended / delisted companies which will come into effect from 01.04.2012;

viii. Issue any other order(s) as this Hon'ble Court may deem just and proper in the facts and circumstances of the case. ||

8. A detailed reply has been filed by Respondent No.2 Securities and Exchange Board of India (SEBI) and it has been stated that the SEBI has been established under the special enactment of the Parliament i.e. Securities and Exchange Board of India, 1992 with the aim object to protect the interest of investors in securities and to promote the development of, and to regulate, the securities market and for the matters connected therewith or incidental thereto.

9. The Respondent SEBI has further stated that the SEBI Act provides a complete mechanism to protect the interest of investors in securities and Section 11 provides the measures for regulating the business in stock exchanges or any other security market.

10. It has been further stated that the Securities Contract (Regulations) Act, 1956 (SCRA) empowers recognized stock exchange which is considered to be the first regulator for providing conditions for listing of

securities on the stock exchanges and it also empowers for de-listing securities from any recognized stock exchange after recording reasons. It has been further stated that Section 30 of the SCRA empowers the Central Government to make rules for the purpose of carrying the objects of SCRA and it also provides for the requirements which shall be complied with by public companies for the purpose of getting their securities listed on any stock exchange. It has been further stated that SCRA prescribes the requirement with respect to the listing of securities on a recognized stock exchange and it empowers the stock exchange to suspend or withdraw admission to the dealings in the securities of a company for breach of any condition of admission to dealings or any other reason, to be recorded in writing.

11. It has been further stated that the SCRA also provides that the stock exchange shall provide a reasonable opportunity to the concerned company to show cause against the proposed action and a remedy of appeal is provided to the aggrieved company or a body corporate before the Securities Appellate Tribunal. Thus, the stand of Respondent No.2 is that there is a complete mechanism in place to deal with the companies who are playing fraud upon the investors.

12. In respect of the Petitioner's contention that the promoters and the management of the company's default in complying with the listing agreement is resulting in suspension of such companies and their subsequent de-listing (compulsory) is affecting the investors and in fact it is hurting the investor's interest rather than serving as a punitive measure against promoters and management of companies. The Respondent No.2 has

categorically stated that in case the Petitioner is aggrieved by such de-listing norms of stock exchange, the Petitioner or any other investor is certainly having a remedy of appeal under Securities Appellate Tribunal challenging the de-listing of the securities of the company under Section 21A(2) of the SCRA.

13. It has been further stated that the SEBI (Delisting of Equity Shares Regulations, 2009) provides for separate regulations on compulsory de-listing by stock exchange.

Regulation 23 of the Delisting Regulations provides for provisions with respect to the rights of public shareholders in case of compulsory delisting and there is a complete procedure prescribed for delisting of a company and penalties are also provided under Section 23(2) for non-compliance of the provisions of Section 21 or Section 21(A) or with the orders of or Section 22. The imprisonment provided may extend upto 10 years or fine which may extend up to Rs.25 crores or both. It has been stated on affidavit by SEBI that as per Section 26 of the SCRA, the Central Government or State Government or the SEBI or a recognized stock exchange or any person, may file a prosecution on case to case basis and it is wrong on the part of the Petitioner to say that the SEBI has not taken any action against the promoters and management of the errant listed companies for compliance of the listing agreement.

14. It has been further stated that the Government of India has also set up a Co-Ordination and Monitoring Committee, a joint mechanism of Ministry

of Corporate Affairs and SEBI which is also the policy making body for vanishing companies.

15. The Co-Ordination and Monitoring Committee has arrived at certain criteria for identifying a company as vanishing company. The Government of India has also set up seven (reduced to four subsequently) regional task forces comprising of officials of MCA, SEBI and stock exchanges which undertakes verification of compliance of criteria at the operational level.

16. It has been further stated that against vanishing companies, SEBI has invoked powers granted to it under Section 11B of the SEBI Act and issued orders against the defaulting companies and their directors/ promoters prohibiting them from associating in any way with the capital market activities. At the time when reply was filed, the SEBI has furnished figures and has informed that SEBI has passed orders under Section 11B of SEBI Act against 102 companies and 391 of its promoters/ directors debarring them from activities connected with capital market, raising funds from capital markets and dealing in securities.

17. It has been further stated that the Indian regulatory framework is based on a disclosure based regime and the SEBI has taken large number of measures to enhance disclosures and tighten the regulatory framework. The measures taken by SEBI as detailed in the affidavit are reproduced as under:

a) The issuer company is required to inter alia make disclosures of complete profile of the promoters and directors alongwith photograph, Voter ID Number, Driving License Number, DIN, age etc. in the offer document. Further, the Permanent Account Number, Bank Account Number and

Passport Number of the promoters are required to be submitted to the Stock Exchanges on which securities are proposed to be listed, at the time of filing the draft offer document with them.

b) In terms of the Equity Listing Agreement of the stock exchanges, when money is raised through an issue, issuer shall disclose to the Audit Committee, the uses / applications of funds on a quarterly basis as a part of their quarterly declaration of financial results. Further, on an annual basis, the company shall prepare a statement of funds utilized for purposes other than those stated in the offer document/prospectus/notice and place it before the audit committee for review. Such disclosure shall be made till such time that the full money raised through the issue has been fully utilized.

c) In addition to the above, issuer raising funds through public/rights issue in excess of rupees five hundred crore, in terms of the SEBI (Issue of Capital and Disclosure Requirements Regulations, 2009 (ICDR Regulations), are required to appoint a Monitoring Agency to monitor the use of proceeds of the issue. The Monitoring Agency is required to submit its report to the issuer on half yearly basis, till the full utilization of issue proceeds and this report is also reviewed by Audit Committee of the issuer company.

d) For material variations between the proposed utilization of issue proceeds and the actual utilization, the company is required to furnish an explanation by way of advertisement and also provide the same in the Directors' Report.

18. The SEBI has also filed a list of the compliances on the basis of which the SEBI has taken actions against errant companies for non-redressal of investor's compliances. The stand of the SEBI is that the Petitioner has filed the present petition without appreciating the fact that the interest of investors has been duly taken care of and protected by SEBI in terms of De-Listing Regulations as well as SCRA and the revocation norms brought by Respondent No.3 BSE, have been done so in furtherance of the provisions of SCRA and the Securities Contract Regulation Rules, 1957 and all efforts are being made by the SEBI as well as BSE to ensure that no fraud is played upon the investors. A prayer has been made for disposing of the present writ petition.

19. The Bombay Stock Exchange, Respondent No.3 has also filed a detailed reply in the matter and it has been contended by Respondent No.3 that Securities Contracts (Regulations) Act, 1956 provides for complete mechanism for dealing with complaints. Section 23L of the SCRA provides for a remedy to any person aggrieved by the order or decision of a recognized stock exchange before the Securities Appellate Tribunal. It has been further contended that the Securities Exchange Board of India Act, 1992 and Securities Contracts (Regulations) 1956 empowers the Securities and Exchange Board of India to supervise and to have a control over the stock exchanges. It has been further contended that Section 21 of the SCRA mandates that where securities are listed, on the application of any person in any recognized Stock Exchange, such person shall comply with the conditions of the listing agreement with that stock exchange.

20. It has been further stated that Rule 19 of the Securities Contracts (Regulation) Rules, 1957 provides various formalities and procedures required to be mandatorily complied with by a Public Limited Company, before its shares and securities can be traded on the floor of the recognized stock exchange.

21. The Respondent No.3 has further stated that the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 provides adequate and sufficient protection for investors and the market. Rule 21 of the Securities Contracts (Regulation) Rules provides for delisting of any security listed on the following grounds:

—a) the company has incurred losses during the preceding three consecutive years and it has negative networth;

b) trading in the securities of the company has remained suspended for a period of more than six months;

(c) the securities of the company have remained infrequently traded during the preceding three years;

(d) the company or any of its promoters or any of its director has been convicted for failure to comply with any of the provisions of the Act or the Securities and Exchange Board of India Act, 1992 or the Depositories Act, 1996 (22 of 1996) or rules, regulations, agreements made there under, as the case may be and awarded a penalty of not less than rupees one crore or imprisonment of not less than three years;

(e) the addresses of the company or any of its promoter or any of its directors, are not known or false addresses have been furnished or the company has changed its registered office in contravention of the provisions of the Companies Act, 1956 (1 of 1956); or

(f) shareholding of the company held by the public has come below the minimum level applicable to the company as per the listing agreement under the Act and the company has failed to

*raise public holding to the required level within the time specified by the recognized stock exchange:
Provided that no securities shall be delisted unless the company concerned has been given a reasonable opportunity of being heard. ||*

22. It has been stated that the Regulations on the subject are in place and complete mechanism provides to ensure that no fraud is played upon an investor keeping in view the statutory provisions.

23. The Respondent No.3 has explained the process of delisting of securities from a recognized stock exchange in the following manner:

i. Delisting from one or more stock exchanges after which the equity shares would remain listed on any recognized stock exchange which has nationwide trading terminals. In such kind of delisting no exit opportunity to the public shareholders is provided (Voluntary Delisting), [Regulation 6 (a)]

ii. Delisting from stock exchanges after which the equity shares would not remain listed on any recognized stock exchange which has nationwide trading terminals. In such kind of delisting exit opportunity to the public shareholders is provided in accordance with Chapter IV (Voluntary Delisting). [Regulation 6 (b)].

iii. Compulsory Delisting [Chapter V of the Delisting Regulations]

24. The Respondent No.3 has further stated that Section 2IA (2) of the SCRA provides that a listed company or an aggrieved investor may file an appeal before the Securities Appellate Tribunal against the decision of the recognized stock exchange delisting the securities. It has been further stated that Section 23 (2) of the SCRA provides that any person who fails to

comply with the provisions of Section 21 and 21A of SCRA shall be liable for a punishment with an imprisonment for a term which may extend to ten years or with fine, which may extend to twenty five crores rupees, or with both.

25. It has been further stated that Rule 19 (5) of the SCRR states that a recognized stock exchange, may suspend or withdraw admission to dealings in the securities of a company or body corporate either for a breach of or noncompliance with, any of the conditions of admission to dealings or for any other reason, to be recorded in writing, which in the opinion of the stock exchange justifies such action. Provided, however, that no such action shall be taken by a stock exchange without affording to the company or body corporate concerned a reasonable opportunity by a notice in writing, stating the reasons, to show cause against the proposed action. Rule 19 (6) of the SCRR provides that a stock exchange may, either at its own discretion or shall in accordance with the orders of the Securities Appellate Tribunal restore or re-admit to dealings any securities suspended or withdrawn from the list.

26. Bye-law 35 of the Rules, Bye-laws and Regulations of the Respondent No.3 provides as follows:

Listing Conditions and Requirements –

The Governing Board may not grant admissions to dealings on the Exchange to the securities of company unless it complies with the listing conditions and requirements prescribed in the relative Regulation or such other conditions and requirements as the Governing Board may from time to time prescribe in addition thereto or in modification or substitution thereof in addition to the listing requirements prescribed in the Securities Contracts

(Regulation) Rules, 1957 which are incorporated in the aforesaid Regulation.

27. Bye-law 39 of the Rules, Bye-laws and Regulations of the Respondent No.3 provides as follows:

*—Suspension of Admission to Dealings on the Exchange –
Subject to the provisions of the Securities Contracts (Regulation) Act 1956 and the Securities Contracts (Regulation) Rules 1957 the Governing Board may suspend at any time the admission to dealings on the Exchange granted to any security for such period or periods as it may determine. At the expiration of the period of suspension the Governing Board may reinstate such security subject to such conditions as it deems fit.¶*

28. Bye-law 42 of the Rules, Bye-laws and Regulations of the Respondent No.3 provides as follows:

*—Withdrawal of Admission to Dealings on the Exchange –
Subject to the provisions of the Securities Contracts (Regulation) Act 1956 and the Securities Contracts (Regulation) Rules 1957 the Governing Board may by a special resolution and where deemed necessary after giving an opportunity to the Company to explain withdraw the admission to dealings on the Exchange granted to its securities either for breach of or no-compliance with any of the listing conditions or requirements or for any other reason whatsoever to be recorded in the minutes.¶*

29. It has been further stated that the aforesaid statutory provisions provide for transparent mechanism of delisting of securities, adequate participation and/ or representation of public shareholders in the process of delisting and also provides for challenge to the decision of delisting by any aggrieved investor. The Respondents have further stated that even in case of compulsory delisting which is a disciplinary mechanism an aggrieved

investor may file an appeal before the Securities Appellate Tribunal against the decision of the recognized stock exchange delisting the securities under section 21A (2) of the SCRA.

30. The Respondent No.3 has further stated that the Listing Agreement also explicitly mentions that the Company agrees and declares that all or any of its securities listed on the stock exchange shall remain on the list entirely at the discretion of the stock exchange and that stock exchange may, in its absolute discretion, suspend or remove the securities from the list at any time and for any reason whatsoever.

31. The Respondent has further submitted that the norms under challenge were reconsidered by Respondent No.3 suo-moto in the interest of the investors and much prior to the filing of the present Writ Petition. It has been stated that the new norms for revocation of suspension have been approved by the Board of Directors of Respondent No. 3 in a Board meeting dated 27.04.2012 and the minutes of the said meeting are under the process of approval. Provided that in case the delay was not attributable to any act or omission of the acquirer or was caused due to the circumstances beyond the control of the acquirer, the Board may grant waiver from the payment of such interest.

34. Consequences of compulsory delisting.—(1) *Where a company has been compulsorily delisted under this Chapter, the company, its whole-time directors, person(s) responsible for ensuring compliance with the securities laws, its promoters and the companies which are promoted by any of them shall not directly or indirectly access the securities market or seek listing of any equity shares or act as an intermediary in the securities market for a period of ten years from the date of such delisting.*

(b) *the promoters, whole-time directors and person(s) responsible for ensuring compliance with the securities laws, of the compulsorily delisted company shall also not be eligible to*

become directors of any listed company till the exit option as mentioned in clause (a) is provided.

(3) The stock exchange(s) shall monitor the compliance of the provisions of this Chapter and take appropriate action for non-compliance thereof in accordance with the provisions of these regulations.”

43. The aforesaid delisting regulations provide Provisions with respect to the rights of the share-holders and all kind of checks and balances are in place under the Regulations. It is pertinent to note that Section 23(2) of the SCRA gives a special power to SEBI to penalize any person who contravenes the Provisions *inter alia* Section 21 or Section 21A or Section 22, and a punishment upto 10 years or a fine which may extend up to Rs. 25 crores can be inflicted.

44. Not only this, as stated in the written reply filed by the SEBI, for vanishing companies, the exercise was undertaken by the Registrars of companies and action has been initiated in the matter against them. Thus in short, the statutory provisions do provide a robust mechanism to safeguard the interest of investors and by no stretch of imagination, it can be said that the interest of investors is not at all protected. Section 23L of the SCRA reads as under:

“Appeal to Securities Appellate Tribunal.

23L. (1) Any person aggrieved, by the order or decision of the recognised stock exchange or the adjudicating officer or any order made by the Securities and Exchange Board of India under section 4B, may prefer an appeal before the Securities Appellate Tribunal and the provisions of sections 22B, 22C, 22D and 22E of this Act, shall apply, as far as may be, to such appeals.

(2) Every appeal under sub-section (1) shall be filed within a period of forty-five days from the date on which a copy of the order or decision is received by the appellant and it shall be in such form and be accompanied by such fee as may be prescribed:

Provided that the Securities Appellate Tribunal may entertain an appeal after the expiry of the said period of forty-five days if it is satisfied that there was sufficient cause for not filing it within that period.

(3) On receipt of an appeal under sub-section (1), the Securities Appellate Tribunal may, after giving the parties to the appeal, an opportunity of being heard, pass such orders thereon as it thinks fit, confirming, modifying or setting aside the order appealed against.

(4) The Securities Appellate Tribunal shall send a copy of every order made by it to the parties to the appeal and to the concerned adjudicating officer.

(5) The appeal filed before the Securities Appellate Tribunal under sub-section (1) shall be dealt with by it as expeditiously as possible and endeavour shall be made by it to dispose of the appeal finally within six months from the date of receipt of the appeal.”

45. The aforesaid statutory provisions of law provide for an Appeal against any order/ decision for recognized stock exchange before the SAT and any person aggrieved in the matter by the order or decision of the recognized stock exchange or the adjudicating officer or any order made by the SEBI under Section 4B can prefer an Appeal, therefore, an efficacious remedy is also available under the statutory provisions.

46. The statutory provisions governing the field make it very clear that a transparent mechanism of delisting the securities, adequate participation

and/ or representation of public shareholders in the process of delisting is in place, and a remedy is also available to aggrieved investor in the matter of delisting. Not only this, even in case of compulsory delisting, which is a disciplinary mechanism, an aggrieved investor may file an Appeal before the SAT against the decision of the recognized stock exchange delisting the securities under Section 21A(2) of the SCRA.

47. In the considered opinion of this Court, in view of the reply filed by the SEBI, Government of India and Bombay Stock Exchange, no further orders are required to be passed in the present PIL, and the interest of the investors is certainly protected under the Statutory Provisions governing the field.

48. In view of the above, the Present writ petition/ PIL stands disposed of.
