ORDER

Subject: Mandating the mentioning of FSSAI License/ Registration number on receipts /invoices /cash memo/ bills etc. by food businesses on sale of food products– reg.

Section 31 of Food Safety and Standards Act, 2006 mandates that every food business operator is required to obtain FSSAI license or registration prior commencing any food business. The implementation of FSS Act 2006 and Rules and Regulations made thereunder depends upon the FSSAI License and Registration number.

2. The food business ecosystem is large and the FSSAI number of any food business operator is not easily visible and available to consumer/service recipient. Any credible regulatory structure depends upon a robust customer grievance system wherein service/ product recipients can complaint for redressal. However, if the FSSAI number is not available to him, expecting him to complain with complete coordinates is an uphill task. Even regulators find it difficult to trace the origin of complaint and attend to it promptly with approximate addresses. No database can be created without a unique locator code, which in case of food safety is the FSSAI number.
3. Presently, FSSAI number is compulsory to be displayed on packaged food labels but the issue lies especially in case of establishments such as restaurants, mithai shops, caterers, even retail stores etc. FSS (Licensing and Registration of Food Businesses) Regulations are being amended to mandate display of 'Food Safety Display Boards' at all times at prominent places in case of Restaurants. However there remains a deficit of mechanism for consumer to know the FSSAI number of the service/ product provider.
4. Now, with the approval of Food Authority, it has been decided to mandate declaration of 14-digit FSSAI License or Registration number on cash receipts/ purchase invoices/cash memo /bills etc. by all food businesses. When any operator issues 2 transaction documents such as in case of transporters issuing transport challan/ Bill etc and an invoice, then FSSAI number needs to be mentioned on both documents. The only exemption will be the GST e-way bill and such other govt documents which are system generated.
5. It shall enable the consumers to have access to information about a particular food business which is publically available at FSSAI's portals. Consumers can visit the FSSAI's portal and 'Food Safety Connect' app for accessing information about FSSAI License or Registration by inputting the 14 digit FSSAI License/Registration number.
