ORDER

(Order of the Court was made by Hon'ble Chief Justice)

The petition is utterly misconceived and filed only for publicity purposes. The challenge here is to a notification dated February 25, 2021 by which a policy decision has been taken by the elected government of the State to increase the retirement age of State government employees from 59 to 60.

2. The petitioner purports to contend that when there is large-scale unemployment and the like, the increase in the retirement age is detrimental to the interest of those seeking to obtain government jobs in the State. However, the petition is bare bodied and bereft of any details or material, leave alone any figures which would demonstrate that the decision is obviously flawed.

3. Indeed, the court is slow to interfere in matters of policy since it is the prerogative of the government. Further, a similar challenge carried by way of WP (MD) No.5302 of 2021 (*R.Gopinath v. State of Tamil Nadu*) has been dismissed by a co-ordinate Bench by a terse

order on July 16, 2021. Paragraph 3 of the order indicates that the prayer sought cannot be granted as it is a policy decision of the government.

4. For the present writ petitioner seeking to make a spectacle out of this matter, the petitioner will pay costs assessed at Rs.5,000/- to the Tamil Nadu State Legal Services Authority within a fortnight from date. In addition, the petitioner will not be entitled to bring any public interest litigation in this court for a period of two years without obtaining the previous leave of the relevant Bench in such regard.

5. WP No.10562 of 2021 is dismissed. WMP Nos.11149 and 11150 of 2021 are closed.
