Association of Mutual Funds in India('AMFI')

Sir/Madam,

Subject: New category of Mutual Fund schemes for Environmental, Social and Governance ("ESG") Investing and related disclosures by Mutual Funds.

1. Under the extant regulatory requirements, Mutual Funds are permitted to launch only one scheme with ESG investing under the thematic category for Equity schemes. In view of the industry representations for allowing multiple schemes with different ESG strategies and considering the increasing need for green financing, it has been decided to permit launch of multiple ESG schemes with different strategies by Mutual Funds.
2. The concept of ESG investments is emerging and therefore consistent, comparable, and decision-useful scheme disclosures is desirable to enable investors to make informed investment decision and to prevent greenwashing. In this regard, SEBI, vide letters dated February 08, 2022 and June 21, 2022 to AMFI, had prescribed disclosure norms for ESG schemes of Mutual Funds, as available under the 'Policy related letters/Emails issued by SEBI' in the Master Circular on Mutual Funds No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2023/74 dated May 19, 2023.
3. In order to suggest further measures to improve transparency, with a particular focus on mitigation of risks of mis-selling and greenwashing, an ESG Advisory Committee was set up by SEBI which provided recommendations for expanding the disclosure norms for ESG funds. Considering the recommendations of the ESG Advisory Committee and pursuant to public consultation on the matter, the provisions of the SEBI (Mutual Funds) Regulations, 1996 were amended on

June 27, 2023 ([link](#)) to *inter-alia* specify that the funds under ESG schemes shall be invested in the manner as specified by SEBI from time to time.

4. Accordingly, it has been decided to implement the following measures to facilitate green financing with thrust on enhanced disclosures and mitigation of green washing risk.

4.1. Thematic schemes on ESG Strategies

4.1.1. As Mutual Funds can presently launch only one ESG scheme under the thematic category of Equity schemes, in partial modification of clause 2.6.1(A)(9) of the SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2023/74 dated May 19, 2023 on Mutual Funds, it is decided to introduce a separate sub-category for ESG investments under the thematic category of Equity schemes. Any scheme under the ESG category shall be launched with one of the following strategies (details of strategies are at [Annexure A](#)) -

- a. Exclusion
- b. Integration
- c. Best-in-class & Positive Screening
- d. Impact investing
- e. Sustainable objectives
- f. Transition or transition related investments

4.1.2. Minimum 80% of the total assets under management (AUM) of ESG schemes shall be invested in equity & equity related instruments of that particular strategy of the scheme (as per the above specified sub-strategies). The remaining portion of the investment shall not be in contrast to the strategy of the scheme. Mutual Funds shall endeavour to deploy a higher proportion of the assets towards the scheme's strategy under the ESG theme and make suitable disclosures.

4.1.3. AMCs shall ensure that the schemes launched by Mutual Funds are clearly distinct in terms of asset allocation, investment strategy etc.

4.1.4. The provision of new category for ESG schemes shall be applicable with immediate effect.

4.2. Investment criteria for ESG Schemes

4.2.1. Presently, the ESG schemes of Mutual Funds are mandated to invest only in such companies which have comprehensive Business Responsibility and Sustainability Reporting (BRSR) disclosures. It is decided that an ESG scheme shall invest at least 65% of its AUM in companies which are reporting on comprehensive BRSR and are also

providing assurance on BRSR Core disclosures (details on BRSR Core disclosures are as specified vide SEBI circular No. SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122 dated July 12, 2023). The balance AUM of the scheme can be invested in companies having BRSR disclosures. This requirement shall be applicable with effect from October 01, 2024.

4.2.2. Such ESG schemes which are not in compliance with the aforesaid investment criteria as on October 01, 2024, shall ensure compliance with the requirement by September 30, 2025. During the said period of one year, ESG schemes shall not undertake any fresh investments in companies without assurance on BRSR Core.

4.3. Disclosure requirements for ESG Schemes

Clauses 6.16.10 and 6.16.11 of the SEBI Master Circular on Mutual Funds dated May 19, 2023 requires the Mutual Funds to compulsory cast votes in respect of all resolutions of their investee companies. Further, the AMCs are required to make disclosures of votes cast on their website on a quarterly basis, along-with the specific rationale supporting their voting decision.

4.3.3.2. In addition to the above, in order to enhance transparency on votes cast by ESG schemes, it is decided that under the rationale for voting decisions (whether “in favour” or “against”), the AMCs shall categorically disclose whether the resolution has or has not been supported due to any environmental, social or governance reasons.

4.3.3.3. The disclosure of voting rationale may be made at the Mutual Fund level. However, in instances wherein the voting approach for ESG and non-ESG schemes of any Mutual Fund is not same, the details and rationale for votes cast on behalf of ESG schemes and non-ESG schemes shall be disclosed separately.
